

**The following “etexfisherman48,” [bigger picture] is a blog response to this WND article:**

<http://www.wnd.com/2017/01/how-to-tell-if-your-neighborhood-mosque-is-radical/>

suggest you read above article (link) for background to the comments below...

First: my (John's) comments... I agree with his (etexfisherman48) opening remark that Globalists want to force the entire world under a “state/one-world religion.” I propose that the Globalist system [New World Order/NWO] will soon “morph” into the Last Days Anti-Christ system... with a temporary “one religion” system where the mandatory worship of the Beast (rev chpt 13) AND receiving of a “mark” is imposed upon all people. I think it not out of order to suggest that Islam may be the foundation of that monster to be unveiled. In any event, their (Globalists) purpose is to attack the God of Israel and His people (believers in YHWH/Yeshua; namely Jews and Christians). I also think the Vatican Illuminati will conspire with the NWO to facilitate this scheme... remember, when the Anti-Christ Beast system is “finished” with the “Great Whore” (rev 17:16), they will destroy her; “...Babylon is fallen, is fallen...” (rev 18:2).

Second: my opinion of articles such as (“...-mosque-is-radical?”), noted above, is that the writer seems to make a case for trying to “fix” the cultural barrier... really? Islam cannot ever be successfully integrated (to peacefully coexist) into any free and democratic society... it is insane to ignore all of history and all Islam's claims and doctrines (as commanded in their Quran) and think they will ever allow “infidels” (you and I and the US Constitution) to exist. Islam will only “rule,” and never rest as equal or friendly to any other religious or democratic body. To me, this writer is the poison of the snake (although, their misguided intentions may be genuine, it is still poison)... if we accept Islam in any form, it will kill us. Islam must be extinguished where and when it is trying to embed itself... my opinion is that the Globalist designed propagandized image of Islam has already overpowered the controls of governments and Islam is coming to the West... However, I see all this as a part of YHWH'S judgment for the “abominable sins of the people.”

### Bigger Picture

There is a bigger picture that you won't hear talked about because it is a behind the scenes secret agenda. That big picture by the Globalists is to force the entire world under the umbrella of a state religion as the solution to what ails all the religions of the world but that has absolutely no punch but what the Anti-Christ and False Prophet authorize. In the mind of these evil men and seducers they are gods and care nothing about freedom of or from religion. The power of God given to the saint to operate in the spirit will be punishable by death just like it was the early church. In other words, a regurgitation of the same evil spirits resurfacing to impose Satan's will on the world.

Another example of the bigger picture: Derivatives in short, are a way for the big banks in collusion with the Globalists to steal taxpayer money because these high risk loans are backed by the government, which is we the people.

The term derivative is often defined as something -- a security, a contract -- that derives its value from its relationship with another asset or stream of cash flows. There are many types of derivatives and they can be good or bad, used for productive things

or as speculative tools.

Derivatives can help stabilize the economy or bring the economic system to its knees in a catastrophic implosion due to an inability to identify the real risks, properly protect against them, and anticipate so-called "daisy-chain" events where interconnected corporations, institutions, and organizations find themselves instantaneously bankrupted as a result of a poorly written or structured derivative position with another firm that failed; a domino effect. Look at the housing crisis that brought this nation to its knees that Bush declared if we didn't borrow money the economy would collapse in five days.

This is just another created tool of the Globalists to establish their power and glory for themselves over the people. I had to put this in to give you the reader an example of the bigger picture.

The gravest mistake by our leaders is not demanding the Islamic countries allow churches to be built in their countries and if they say no then they can't be permitted to build mosque in America. We have absolutely the most stupid people ever leading this country. As in now stands Saudi Arabia a nation just as evil as Iran has a free-hand to build mosque and impose Islamic teaching in our public schools but not Christianity. This is being done by teacher's unions and government officials on the take from the Saudi government. These traitors should be arrested and imprisoned.

It doesn't matter what approach is taken there is no justification for a Muslim to even live here in America because of our constitution. It is at odds with their laws in every shape, form or fashion. Their religion is their law and to try and paint it differently is a show of pure ignorance. This religion was born out of rebellion to God beginning with Ishmael and got a huge kick start with Esau Isaac's son who sold his blessing for a bowl of soup. Esau rebelled against his daddy when he was told not to marry into the lineage of Ishmael but he defied his daddy and did it joining forces with the radical Islamists that hate God and his chosen people the Jew and for no other reason than God chose the children of Israel to be his chosen instead of the Arab.

Anyway, here is the facts...Muslim States are Theocracies Muslim or Islamic law, both civil and criminal justice as well as regulating individual conduct both personal and moral. The custom-based body of law based on the Quran and the religion of Islam. By definition, Muslim states are theocracies meaning religious texts are law, the latter distinguished by Islam and Muslims in their application, as Sharia or Sharia law."

Our constitution as it regards religion is the exact opposite.

Amendment 1 - Ratified 12/15/1791.

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Muslim law is directed by their religion and is the law of the land in Muslim countries which is in direct violation of our 1st amendment that states lawmakers aren't allowed making law respecting the establishment of a religion and it violates the free exercise thereof by forbidding anyone the religion of choice. Furthermore, the Muslim government law authorizes the killing of people that attempt to leave the religion as the verses of their holy book reveal below, plus Islamic doctrine doesn't allow for dissent.

Islam Anti-Religious

Islam should not be recognized and/or protected as a religion in America because it is in violation of the first amendment in that it is theocracy meaning their religious holy book is also the law Muslims must go by. The Muslim leadership in America is proving day by day they have no intention of assimilating into American society by adherence to our constitutional form of governance. The evidence of this is clear in observing what is taking place in Europe. They are 100% unified in following the teaching of their prophet Mohammad and nothing has changed in their approach here in America.

They have begun doing here what they have done in Europe, which is demanding "Sharia Law" be observed. This means it is up to "we the people" to throw these elites pushing the Islamic agenda out the door before they get their way. Any religion that justifies stealing or killing to propagate their religion is not of the one true God and as you will see below they use these tools regularly.

Note: Stealing is begging westerners to give alms to their charitable causes so they can use it to furnish terrorist money to guess what? Kill or destroy you! Every mosque in America is giving the terrorist money and I know this because it is commanded of them by edict to do so. When questioned they say jihad meaning their struggle but don't go beyond that to explain the struggle they are really talking about, which is against Christians and Jews. So every mosque that goes up is another way for them to expedite the fall of America. Think about that the next time you say "they have a right to have mosque".

Here is a little taste of what one can expect if Islamist have their way in America and this is from the mouth of their prophet Mohammad they worship night and day. That by way is how they brainwash these inbred followers since the 14th century with their five times a day facing Mecca prayer vigil using as the bible declares "vain repetitions"

saying the same thing over and over further brainwashing these people.

A small sampling of Muhammad's teaching on how to treat enemies:

Sura: A chapter of the Qur'an. There are 114 chapters of the Qur'an, each divided into verses.

Infidels (Christians and Jews) are your sworn enemies (Sura 4:101).

Be ruthless to the infidels (Sura 48:29).

"When the sacred months [Ramadan] are over, slay the idolaters wherever you find them. Arrest them; besiege them; and lie in ambush everywhere for them. (Sura 9:123, 66:9)

If they repent [convert to Islam] and take to prayer and render the alms levy, allow them to go their way." (Sura 9:5)

Fight those who believe not in Allah nor the Last Day (Sura 9:29).

Strike off the heads of infidels in battle (Sura 47:4).

If someone stops believing in Allah, kill him (al-Bukhari 9:84:57).

Take neither the Jews nor the Christians for your friends (Sura 5:51, 60:13).

Never be a helper to the disbelievers (Sura 28:86).

Kill the disbelievers wherever we find them (Sura 2:191).

No Muslim should be killed for killing an infidel (al-Bukhari 1:3:111).

The only reward of those who make war upon Allah and His messenger will be that they will be killed or crucified, or have their hands and feet on alternate sides cut off, or will be expelled out of the land (Sura 5:33).

And in 8.12, the Koran says, "I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them." "Believers, make war on the infidels who dwell around you." Gulp, that's you and me!

Note: If you believe anything but Islam you are an infidel.

"Fight those who believe not in Allah or the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the religion of Truth, (even if they are) of the People of the Book, until they pay the Jizya with willing submission and feel themselves subdued." (Sura 9:29)

In James Arlandson's article 10 Reasons Why Sharia is bad for all societies you will find documented evidentiary proof this doctrine is not of the God of Abraham, Isaac and Jacob. To see this work go to: <http://www.americanthinker.com...>

Important Note: To clear up the confusion I have found among the many researchers seeking answers the only time Islamist are forbidden to make war is during their holy month of Ramadan. Some are misinterpreting the meaning by saying they are a holy peaceful religion when as you saw above they are not. If all Muslims obeyed their teaching from the Quran they'd be about the business of killing us infidels fast as they

can. They just have a restriction about how to go about their militant jihad. I almost chuckle a little when I say we are infidels when it they that are the true infidels and soon will burst hell wide open, which is why I refrain from chuckling.

### Brief History of Islam

The root cause of rebellious Arabs today began with Abraham and Sarah's lack of faith in God's promise concerning having a son. Because of Sarah's unbelief she decided to get a handmaiden, who was Hagar an Egyptian to bear Abraham a son because although God promised them a son she took it upon herself to laugh at God because she thought she was too old. After all, she was 90. Genesis 16:11 and the angel of the LORD said unto her (Hagar), Behold, thou art with child, and shalt bear a son, and shalt call his name Ishmael; because the LORD hath heard thy affliction.

What follows is an example of anything conceived or produced through a rebellious spirit. Genesis 16:12 and he will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren.

The problem with this is that God gave the spiritual blessing and land from the Euphrates to the river of Egypt to Isaac instead of Ishmael and that is where the rebellion towards the God of Abraham, Isaac and Jacob begins. After much pleading from Abraham God blesses Ishmael with a portion of land from Edom or Petra, which is southeast of Judea and what is now Saudi Arabia, hence oil. To compound the problem, Isaac had twins Jacob and Esau with Esau being the oldest.

To make a long story short, Jacob robbed Esau of his blessing from Isaac and Esau rebelled against his father by disobeying his command of not marrying any of the Canaanites. It just happened to be from Ishmael's lineage Kedar by name. Kedar is the second son born of Ishmael and also continued tracing of the lineage we find Mohammad is a descendant and Islam's dictatorial political correctness leader.<http://www.wnd.com/2017/01/how-to-tell-if-your-neighborhood-mosque-is-radical/>

It is from this beginning that we have the foundation for the Muslim religion today; one rooted in rebellion against the God of Abraham and hatred of his chosen people the Hebrew. The description God gave Hagar of Ishmael above is descriptive of these Muslims today and has been their history all the days of their lives to this day. Throughout their history when they ran out of their own to kill they attacked anyone else they could get their meat hooks on.
