

Special guest article [name of author withheld] by a very credible researcher whom I know and highly respect:

It appears with little doubt that President Trump is at full out war with the "Deep State" or the Elites of the US and the world. The Make America Great Again campaign is at total odds with the globalist New World Order. None of us can know for sure if the President will succeed. If he does, it will probably be temporary in our lifetime because when we read the Bible we understand that a Satanic kingdom will be allowed to rule just prior to the coming of Messiah. However, if G-d has given us a reprieve to repent we should take full advantage of it to spread the Gospel of the Kingdom while counteracting the lies of the enemy.

There is no doubt that Trump was recruited by Patriotic Military Intelligence to counteract this Criminal Deep State takeover of America. They saw how President Obama had destroyed the military of the US in 8 years and knew if Hillary Clinton had become President that America as we know it with the Constitution was gone forever. This is why President Trump surrounded himself with loyal Generals, and for the most part the military is protecting him. He also was smart to bring his own private security into the White House in addition to the Secret Service detail he automatically received.

The evidence is coming out about the plot at all echelons of Obama's government to get Hillary Clinton elected President. When that didn't happen they had an "insurance policy" to indict President Trump for Russian collusion and have him impeached. But I think Trump outsmarted them. A good up-to-date synopsis of all this can be watched here:

If the Congressional MEMO is declassified for the American public, it could be so damaging to this criminal plot against the sitting President of the United States, that the Mueller investigation into Russian collusion may be immediately ended and Attorney General Jeff Sessions could un-recuse himself and take complete control of the Justice Department again. The people that could go down are well-known names.

Early last year when President Trump tweeted that Obama spied on him, the media ridiculed him. Then, when Fox News commentator Judge Napolitano revealed that his sources showed that the British GCHQ was involved, he was let go by Fox. A few weeks later he was brought back and he refused to take back what he said. Now Judge Napolitano appears to be vindicated.

ISA-94: APPLICATION FOR RENEWAL OF WARRANT CSO/142263 TO SURVEIL 725 5TH AVE. NEW YORK, NY, USA, 5TH & 26TH FLOORS

1. On 28 August 2016, GCHQ/CSO filed for permission to execute Project FULSOME at the request of the US President, seeking intelligence gathering into the Trump Organization and Donald J. Trump for President, Inc., both located at 725 5th Avenue, New York, NY, USA. Activities include foreign and US domestic signals collection, in regards to communications with Russian hostile actors.
2. IOCCO approved FULSOME on 15 September 2016, allowing 90 days of initial SIGINT gathering, with the potential for renewal, should the situation allow. This memo's purpose is to request a 90 day renewal of FULSOME's original charter, with further potential for renewal, thereafter.
3. Since FULSOME's start, a clear pattern of actionable leads have accrued, both from the Trump campaign itself, from former MI5 agent Michael Steele, and from others (see fig. 1-7 in attachment).
4. US National Security Advisor Rice has requested that we continue our surveillance, during the transition period, as internal US intelligence is potentially compromised by the incoming Trump administration.
5. For these reasons, we are requesting that FULSOME's charter be renewed for another 90 days.

Sincerely,

Robert Hannigan
Director, GCHQ

It is clear that criminal activity prevailed in the Obama-Clinton government. It has also been revealed what President Obama tried to cover up at the White House:

On April 10, 2016, Mary Jacoby showed up on White House visitor logs, meeting with President Obama and his top officials, and she doesn't leave for 14 hours.

That same month, April 2016, the Clinton Campaign and DNC hired Fusion-GPS to organize the Russia research, which later became known as the bogus "Russian dossier." **Mary Jacoby is the wife of Fusion-GPS head Glenn Simpson.**

From the beginning of his Presidency, Trump has released Executive Orders going after human trafficking and pedophile rings in the US which connects into all the governments of the world. It's easy to research how active US Law enforcement has been in arresting lower-level pedophile rings since Trump became President. Also, there are over 4,000 sealed Federal indictments waiting to be opened. This is 4 to 5 times more than normal for a year.

Many believe that Special Council Robert Mueller was actually turned from the Deep State to work for President Trump and he may be involved with some of these sealed indictments against Elite pedophilia rings and that the Russian Collusion is a planned smokescreen to deceive the elite.

If this was all planned by Trump with Mueller, he is a genius. That means the apparent rift between AG Sessions and Trump is a ruse for public consumption. Why do some believe this to be true? Because after Trump fired James Comey from FBI Director, Robert Mueller met with Trump the day before he was appointed as Special Prosecutor for the Russian collusion. The supposed meeting was guised as Mueller interviewing for the open FBI Director position.

Trump interviewed Mueller for FBI director

Dan Merica, CNN

President Donald Trump interviewed Robert Mueller as a potential replacement for fired FBI Director James Comey ...

The problem is that Congress passed a law that an FBI Director can only serve a term of ten years total in a lifetime. FBI Director Mueller already served his 10 year appointment previously, so he was never legally capable to serve as FBI Director again. What did Mueller and Trump really meet about? Then the next day Deputy AG Rod Rosenstein appointed Mueller as the Special Council. If all this is true, Trump knew all about the plot against him, and used the Deep State's attack against him and he reversed plotted against them. Could the President be ready to throw the hammer down against his enemies? Time will tell.

In the mid 1990's I was writing and researching about the New World Order and New Age Movement. I was astounded by what I discovered at the very top of worldly governments - corruption, secret societies, pedophile rings, etc. I was so scared at what I discovered that I feared publishing and sharing publicly. Many researchers were murdered by uncovering certain things about the elite and writing and/or speaking about it. I have shared with some of you some things and also my fear.

I'm going to start sharing some of my research because I feel more emboldened in these times. I only wrote as to the current time of the mid 1990's and I did not write about these things afterward although I continued to privately research. I focused all my attention with the Scripture and Torah from the mid 1990's onward. But now I think its time to share some historical research on these subjects.

So stay tuned. Please feel 100% free to share or forward anything I write with others.
